

ONE LORD, ONE CITY ONE WEEK

AGAPE BLITZ—2018, PORTLAND, OR

Agape Church of Christ: On a Mission from God...

Agape Blitz began as one day of service in Portland during August 2008. Now groups from all over the country join Agape and local organizations to partner for 6 weeks of service to the community. Over the years Agape Blitz has rebuilt homes in a homeless camp, painted rooms for public schools, partnered with Adult Day Care centers, restored rooms and homes for local trafficking agencies, provided yard and playground work for abuse shelters and social service agencies, and helped to maintain many community gardens for public schools and community service providers. We have partnered with youth groups, Starbucks, the Timber's Army, Portland Public Schools, and college campus organizations to bless our community. Through Agape Blitz other youth groups and churches have begun to serve in their own communities when returning home.

Our 2018 planned projects will include building new homeless camps in partnership with the Village Coalition, Agape Church of Christ, and other agencies. Portland has declared homelessness a "crisis" and is open to diverse solutions to the rise of houselessness in our city. Building tiny house camps has become a cost effective and collaborative effort that is providing shelter for many in our city. Blitz teams will work with camp members and community advocates to prepare, build, restructure, and repair newly formed and existing communities.

SUMMER 2018

ONE WEEK
SIGHTSEE, SERVE, GROW!

We welcome youth groups, families, and teams who wish to join us, serve for Jesus in our community, then return to build this ministry in their city. For more information and to watch the Agape Blitz video visit [here](#).

To participate in Agape Blitz this summer contact us at office@agapecoc.com or visit the Agape website below.

Our people must learn to devote themselves to doing what is good...

Titus 3:14
